"If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." 2 CHRONICLES 7:14

VOLUME 5 No: 9 HEART TO HEART

SEPT. 2000

THE GREAT CONSPIRACY

"Why do the nations rage and the peoples plot in vain? The kings of the earth take their stand and the rulers gather together against the Lord and His Anointed One." (Psalm 2:1-3) Even as it was in the days of the Psalmist plots to rule the world in defiance of God have existed from the time of Nimrod who built the Tower of Babel down to the present day. In fact, the whole world today is in the clutches of a deep and subtle conspiracy that is even now bringing great changes to our way of life. Like the proverbial frog in the water we are being slowly boiled. But because gradualism, the Fabian tactic, does nothing to cause undue alarm, most Australians mock the very idea of a worldwide conspiracy. This is just what the conspirators want. Nevertheless, countless millions will be deceived and ensnared by this conspiracy known scripturally as the "mystery of lawlessness". This is prophesied.

In order to prepare us to accept these and more changes without murmur we are being brainwashed by greedy executives through PR techniques, education, the media's blatant commercialism and political subterfuge. PR is the friendly face of propaganda often called social engineering. Its task is to create situations that the news media will use to stir public emotion and consequently a demand. There's no need to create azombilike enslavement of the masses. Designed misinformation is safer because it gives its victim a limited access to knowledge, introduces false ideas and creates conflict. In fact all three are achieved by education and lies. Schools are places of indoctrination into political correctness to ensure that the younger generation sees every aspect of life through humanistic eyes. Civilisation is now a pretended concern for human rights, children's rights, women's rights, rights of race and rights of anti-discrimination. One of the basic aims of the great plan is to destroy the family which is now being decimated by divorce. Moreover, child abuse has been targeted to direct public disgust against the legitimate family, carefully avoiding any distinctions between it and its counterfeits where most social abuse actually does occur. With the destruction of the family comes the need for government childcare institutions with their well known attitudes to social engineering.

The key question is: just who are the people behind all this skullduggery? Needless to say the forces at work on this diabolical scheme are many-faceted. At their head is the all powerful Committee of 300 also known as the "Olympians" (believing they are equal in power and stature to the legendary gods of Olympus and have, like Lucifer their god set themselves above the true God) which has been at work under one name or other for over 150 years and is composed of the leading lights of secret societies, front organisations, government agencies, banks, insurance companies, the petroleum industry and many other powerful entities. Among its pawns are the United Nations, the International Monetary Fund, the Bank of International Settlements, the Club of Rome, the World Council of Churches, Italian P2 Masonry, the Tavistock Institute, the Fabian Society and many other "reputable" organisations. What is their program? To establish a One World Government – New World Order with a unified church and monetary system under their direction; to penetrate and subvert all governments so as to destroy all national sovereignty and national pride; to extinguish the Christian religion; to end industrialisation and nuclear generated electric power in a post industrial zero-growth society; to legalise drugs and pornography; to enforce euthanasia on the terminally ill and aged; to eliminate 4 billion "useless eaters" through limited wars, organised epidemics of fatal diseases and starvation; to increase social disorder by encouraging youth to rebel against the status quo through rock music and drugs; to help the spread of religious cults; to cause a collapse of the world's economies and engender political chaos; to abolish racial discrimination; to prohibit all privately owned firearms or weapons of any kind; and to take control of education to use it for their own purposes

Most important among its committees is the Club of Rome which has a program of spreading counter-culture movements including hedonism, satanism, witchcraft and "environmentalism". The Club has done much to fulfil its mandate to soften up the West. Look around and see how we have been demoralised. Drugs, pornography, rock "music", free sex, the family unit all but undermined, blatant homosexuality and lesbianism and the murder of countless unborn babies in the name of a "woman's choice" testify to that. Destruction of national identity proceeds apace. It is no longer a good thing to be patriotic. Racial pride is now frowned upon and deemed illegal in many countries, especially those with the largest white populations.

What we face today is not only the destruction of the very fabric of our nation but also the loss of our freedom. The steady chipping away at the Christian foundation of this nation is leaving an empty void which New Age cults and Eastern religions are rushing to fill. We have not so much as lost our way as a nation but have been steered in a direction opposite to that which our pioneers and defenders of this land worked and fought for. In fact, we have lost contact with our historical genes, our faith, which inspired our forebearers to move forward as a nation.

We may not be able to completely thwart these conspirators but it is essential to reveal their devilish scheme and to save as many as possible from the "Dark New Age" it will bring under the prophesied antichrist who will ultimately be destroyed at the return of Christ in glory to gather to Himself all who belong to Him

OUR PRAYER

Our loving Father and God of majestic, matchless grace, ruler of all nations, as blood-covenant children we joyfully enter Your holy presence with love, honour, praises and thanksgiving, consecrated to be totally committed to our Lord Jesus Christ in the administrative service of His kingdom agenda today. Lord God, help us to be faithful and willing to surrender our all and co-operate with the indwelling Spirit of truth to release our united powers against Satan's manifold deceptions. Help us too to enjoy living in the will of our risen Lord and Saviour, JESUS CHRIST, our coming King of Glory, triumphantly helping to fulfil His kingdom agenda against Satan's kingdom of conspiracy, deception, evil forces and rebellion that brings spiritual death to unsaved humanity.

Father God, we acknowledge that our Lord Jesus Christ administers His kingdom through His covenants so we may act justly, love mercy and walk humbly with our God in order to usher in His legacy of peace. We thank You that we are privileged to be part of His kingdom. Sovereign Lord, we are also grateful that we receive Your free gift of amazing grace through faith – the grace of truth focusing on who You are and what You have done for us through giving us Your only begotten sinless Son, JESUS CHRIST, who died on the cross of Calvary, redeeming and reconciling us repentant sinners to You as our Father, the Lord of all creation and the source of all life and light sustaining us to release the River of Life. Everlasting Father, we realise that in Your economy there is no wage relationship. Spiritually no amount of human accomplishments can erase the internal stain of our sinful nature that separates us from You, our loving God, for the wages of sin is spiritual death! John 17:3 states that to know God is eternal life and studying His Word helps us to know our Father more intimately and live our faith more fully. Holy One of Israel, make us strong to trust in our Lord Jesus' agenda to operate in the glory of the cross by the omnipotent power of Your Spirit. We put on Your full armor in His Name to war against the causes of Satan's "mystery of lawlessness" which not only produces disobedient people but also an environment of spiritually dead people who are under the judgement of God in His "Great Southland of the Holy Spirit". For we know our struggle is not against flesh and blood, but against the rulers, powers, evil world forces and the spiritual forces of wickedness in heavenly places.

Merciful Father, as Your Spirit-filled army under the glorious Lordship of our Lord Jesus Christ, anoint us with Your omniscient wisdom and discernment to release Your power in our involvement in Your kingdom. Grant us the authority in Jesus' majestic Name to triumphantly demonstrate Your glory, Your power and Your ultimate victory to all creation, by pulling down all deceptive, evil strongholds of Satan's agenda. Spirit of the Living God, we ask You to send Your Refiner's Fire to burn out and break Satan's hold on both leaders and citizens of Australia. Set the captives free, the blind to see, the deaf to hear and the sick to be made whole; and draw all lost souls into Your kingdom that they may enthrone our Lord JESUS CHRIST in their hearts. We fervently pray all this in Jesus' glorious Name. Amen.

C.O.P.I.T. Led by our Lord Jesus Christ by the power of the Holy Spirit to glorify the Fatherhood of God with the Brotherhood of Man, in love and faithfulness to bring glory to our Eternal Father in Jesus' Name. Amen and Glory.
