## THE FROG IN THE POT

The story is told of a smart frog which lived at a university and managed to stay alive by avoiding science class attempts to perform harmful experiments on him. Then one day the science master made a wager with the frog that he could boil the frog to death without him even protesting. Totally confident, the frog slid into the pot of lukewarm water on the master's stove. While they chatted the teacher turned up the heat very slowly under the pot. By the time the water became really hot it was too late for the frog to jump out because his system had adjusted to the gradual increase in temperature and little by little his strength had been drained from him. The master won his bet – and the frog lost his life – because the wise scientist knew that slow but constant change can put us into a fatal position we would never permit ourselves to get into should it come upon us suddenly. Like the frog, the people of Australia and New Zealand are being slowly boiled alive. So much has happened over the last 30 years to change our way of life without causing a backlash from the general populace because it has occurred surreptitiously – the avowed policy of the Fabian Society which has played no insignificant part in altering our way of life. Recognising the conservative nature of people, the Fabians have dressed radical change in moderate guise, introducing it gradually. Rejecting Christianity in favour of secular humanism with its dependence on science and reason they have steadily replaced the teachings of the Bible with the doctrine of the sovereignty of the state. In its outworking this humanistic ideology has meant the loss of justice in the courts based on the Ten Commandments; ugliness in art, music, literature and drama; the abuse of humanity in the form of abortion, euthanasia and cloning; drug abuse, rock music and a violent revolt against history.

The emblem of the Fabian Society is a wolf in sheep's clothing. In other words, Fabianism presents itself as harmless as a lamb while in reality it is a ravenous wolf. Working on the principle of "the inevitability of gradualness" the Fabians have infiltrated numerous organizations and institutions. The writings of Fabians George Bernard Shaw, H.G. Wells and others contributed to the undermining of the British-Christian heritage in Britain and in other countries of the Commonwealth. Canada, New Zealand and Australia have all fallen victim to Fabian deception. Addressing the Fabian Society's centenary dinner in 1984 PM Bob Hawke, an avowed Fabian, said, "We all have to face the fact that, if our government is to make ... reforms that will endure ... the whole mood and mind and attitudes of the nation must be permanently changed." But, Hawke was merely following on from "Fabius Maximus" Gough Whitlam, the architect of many cultural changes to Australian society in the 1970's, especially Justice Lionel Murphy's infamous Family Law Act which has greatly undermined the traditional family. Thanks to this enemy within, the very foundations of our once-Christian society have been subverted and replaced by values based on convenience, fad and situational ethics rather than biblical law. Moreover, as instruments of international socialism Fabians are totally committed to the Humanist Manifesto which states: *We have reached a turning point in human history where the best option is to transcend the limits of national sovereignty and to move toward the building of a world community. thus we look to the development of a system of world law and order based upon transnational federal government.* (That is, a one world government.) Thus the ultimate goal of all this subterfuge is to establish a New International Economic Order. And guess what? Australia and New Zealand are the guinea pigs, the test pattern for the whole world. That is why we are fast losing our right to have a say over our own industry, production, distribution and economic policies. But internationalism is not biblical; it is opposed to God's order for the planet. The Bible tells us that God created nations for His

purposes, as explained in Acts 17:26, 27: "He (God) created all the people of the world from one man, Adam, and scattered the nations across the face of the earth having determined beforehand their allotted times and their boundaries His purpose in all this is that they should seek after Him"

So we see that like the frog in the pot we are being slowly boiled. By means of a constant obsession with sport, every kind of entertainment imaginable and a compliant media we have been beguiled and captivated by the passing fads that blind us to the seriousness of our predicament. And, if there be any dissent, anti-discrimination boards have been established to quickly silence it and impose the "politically correct" view. Soon it will be too late to jump out of the pot. We will be swept into a cosmopolitan cauldron where there will be no freedom to choose; where the biblical ideals that have given us freedom, justice and high moral standards are gone; and where Big Brother controls everything and the individual means nothing. But there is good news. **God is still on the throne.** All we must do is recognise that, historically, when His people have walked according to His ways the enemy has been defeated and the nation prospered. **Victory** is the one thing the Bible promises. God guarantees ultimate and total triumph for His people bought by His Covenant Blood. Jesus will not go out of history defeated. So let us turn to Him in this climactic hour, **repent of our failure to obey His laws and allow Him to lead us by His Living Word through His omnipotent Holy Spirit power to that ultimate victory over all the malevolent forces arraigned against us.** Fear not, be strong in our Spiritual Rock of Refuge **JESUS CHRIST**, our Lord God Almighty who is coming to rule and reign as our King of Glory in His New Kingdom of Righteousness, Love and Peace. **Are you ready?**

### **OUR PRAYER**

Heed our plea, O loving Father, God of infinite grace, mercy and judgment; Almighty God of Israel; Lord of all Excellence; Light of the world; Redeemer of souls; King of Righteousness; Life-giving Spirit; Judge of the Living and the Dead; Mediator of the New Covenant and Author and Finisher of our faith. Holy Father, we humbly come united in faith through the Holy Spirit and in the Blood and Name of Jesus to join the hosts of heaven to love, praise, worship and thank You for equipping us to grow in grace and the knowledge of our Lord and Saviour, JESUS CHRIST so we may dispense Your amazing grace to a lost world. Omniscient Father, with grateful and contrite hearts, we thank You for sending Your only begotten Son who died, but was resurrected and is now seated at Your right hand as our Great High Priest. Thank You that He is praying for us to **fear not** but to be strong in His omnipotent power, to fight our spiritual battles in His name clothed in the full armour of God. Sovereign Lord, we ask You to forgive us our debts as we forgive our debtors.

Blessed Holy Spirit, help us to be committed, effective and responsible stewards of The Great Commission to dispense Your gift of grace to lost souls. We acknowledge that the power of Your grace and truth change lives – to mend the broken hearted, to heal wounded souls, to break down barriers of racism; to bring sinners to repentance and to set the captives free. Lord God of all Excellence, we pray for divine forgiveness for the leaders, media and citizens of this 'Great Southland of the Holy Spirit' as they earnestly repent and turn from their wicked ways to receive with open hearts Your free gift of grace and mercy – for **GOD is LOVE**. Lord Most High, forgive them their foolish words and deeds for they know not what they do. We pray they will look to You, LORD JESUS, to renew their minds by Your Word in the power of Your Spirit. Everlasting Father, thank You for making us ambassadors in Your divine plan and purpose for planet earth as revealed to us through Your Holy Word. Blessed Spirit, help us carry Your message of grace to government departments, tertiary institutions, schools, work places, homes, prisons and refugee camps – that none may perish, but all come to repentance and receive Your infinite LOVE AND TRUTH, as found only in **JESUS THE CHRIST**. We pray, Lord Jesus, become our nation's WAY to give direction, our TRUTH to give spiritual instruction and our LIFE to give inspiration and hope for this 'Great Southland of the Holy Spirit'. We gratefully thank You for Your triumphant, finished work on the Cross defeating Satan's evil scheme of deception and destruction. By Your Grace, Spirit and Blood set us firmly in Your coming Kingdom of love, righteousness, joy and peace. We rejoice that we have been chosen to participate in Your glorious government where You will be the Wonderful Counsellor, Mighty God, Everlasting Father and Prince of Peace and reign on David's throne upholding it with justice and righteousness forever and ever. We fervently pray this in the name of Y'shua Ha Mashiach, our Lord and Saviour, JESUS CHRIST. Amen.

C.O.P.I.T. Led by our Lord Jesus Christ by the power of the Holy Spirit to glorify the Fatherhood of God with the Brotherhood of Man, in love and faithfulness to bring glory to our Eternal Father in Jesus' Name. Amen and Glory
